

Health & Safety Training – Options Available to You

Lisa Pollio
Enform

Summary

Enform provides a variety of training courses through numerous methods of delivery. We offer training across Canada with approved training providers located from coast to coast. Enform courses are held to the standard of the six major upstream oil and gas associations. We can provide contract training at your own facility on a date that works for your company. Customized training can also be produced, so that it is relevant to your own business and industry.

Introduction

Lisa Pollio- Lisa is a Canadian Registered Safety Professional with over 10 years of health & safety experience in the oil & gas industry. She spent over six years working in the oil sands and has gained a wealth of knowledge in safety and disability management during that time. In her 4 years of working at Enform, she has had the chance to work with the six major oil and gas associations in a program manager role for Health & Safety Training and Industry Support.
