

# VIRTUAL BOOTH & WEBINAR OPPORTUNITIES

New this year to [GeoConvention 2019](#): Virtual Trade Show Opportunities Powered by our Partners at Industry Connect.

To help [further the return](#) our exhibitors enjoy from GeoConvention, all physical exhibitors have the option to also host their booth virtually to [target a whole new audience from across the globe!](#)

Let the capabilities, low costs, and ease of a virtual experience help your business succeed more than ever with [GeoConvention 2019](#).

## VIRTUAL BOOTH

Enjoy all the benefits of a physical trade show, and more, by booking a spot in our virtual trade show exhibitor hall.

Virtual trade shows provide exhibitors:

- Branded and customized virtual booth space
- Live text, audio, group, or one-on-one chat options
- Extensive analytic and lead generation tools
- Full technical support from our virtual show partners
- And much more – just ask us!

## Book a Virtual Exhibitor

### Booth and you will receive:

- A virtual booth design with up to 6 customizable branded banners
- Unlimited documents, videos, and resources linked to your booth
- Unlimited access to text, voice, and video chat capabilities with attendees
- Leads and analytics reports after event

Add-on Price: \$1400

## WEBINAR HOSTING

The webinar platform Industry Connect uses is the #1 technology for driving high-quality leads with deep engagement and clear analytics.

Participating exhibitors will receive:

- Customized webinar registration pages
- Customized webinar platform and support before and during broadcast
- Customized interaction capabilities with audience members
- On-demand viewing for several weeks after your webinar was live
- A full detailed report on attendee engagement after the event

Add-on Price: \$500

*Want to see a demo?*

*We'd love to show you how it works!*
