

# GeoConvention 2019

Now, more than ever, GeoConvention is the place to have direct access to key decision makers. Come be part of where oil finders and decision makers gather in the hub of the Canadian Oil and Gas market.

We invite you to exhibit and become part of GeoConvention 2019. This annual conference gives companies the opportunity to display their products and services to a highly focused and qualified audience.

## THE VENUE

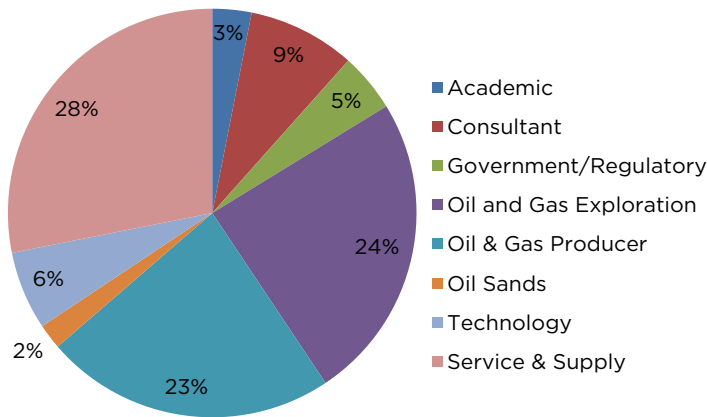

The GeoConvention 2019 exhibition will be held at Calgary TELUS Convention Centre May 13 to 15, 2019, located in downtown Calgary.

## REASONS FOR EXHIBITING

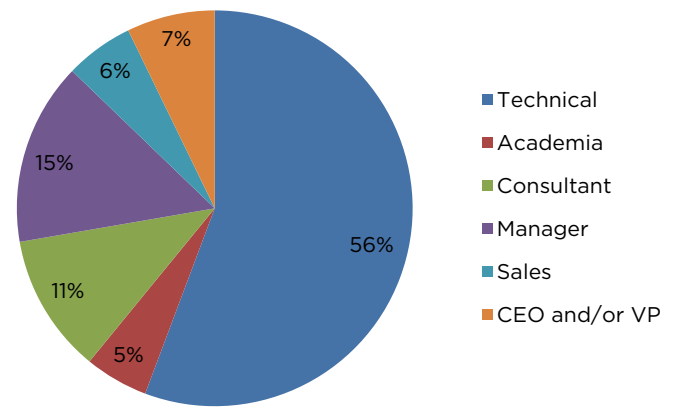

- GeoConvention provides target marketing through social media, e-blasts and phone-based apps to help promote your participation
- GeoConvention offers two focused networking opportunities with food and beverages to drive participation to the floor
- At GeoConvention we pride ourselves on best in class customer service with flexible exhibitor prices, dates, and extra benefits that make you feel like family rather than just another vendor. We will work to maximize every dollar you spend because we know your investment is important
- This is one of the largest concentrations of buying power for technology and products and services in our industry in one place at one time.
- GeoConvention provides the best dollar-for-dollar value of any similar sized conference
- Exhibit floor access is free to all attendees, maximizing the number of potential business opportunities; expected 2019 attendance is 3,500 geoscience professionals
